General

Romanian Yachting

***SAILING** races in Romania*

The *Romanian Yachting Federation*, the *Romanian Royal Yachting Club*, *Life Harbour*, the *Black Sea Sailing Association* etc., organise each year in Romania, many sailing competitions. There are also many different private regattas and/or events.

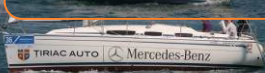

Over a period of **6 month (minimum 32 official days of regatta and at least 20 days of training)** **Mojo Team** will train and take part in all the major sailing competitions alongside **50 yachts**, on a top boat **Beneteau First 40.7** racer class, in **minimum 8 regattas** within the **2 official championships of yachting** and other private contests.

Media Coverage

Partners

Because sailing is a fast growing sport, lately mass-media and other communication channels (on-line, social etc.) are more interested and more active in participating and covering the main events.

2016

Why should you support us?

- because Mojo is one of the most performant and appealing boats in Romania;
- *because it is a creative way to generate a strong, dynamic and positive brand image;*
- because sailing is a fast growing niche sport where participate or assist educated people, financial potent, many of them corporate decision makers or successful entrepreneurs;
- *because in business the most spectacular results comes from bold and out of common actions;*
- because Mojo Team have proved itself in 2013, 2014 and 2015 able to generate one of the most attractive and high-spirited image in the Romanian sailing world;
- *because yearly over 5000 people, with above average financial income, spend quality time on and near the boats stationed in Life Harbour Marina;*
- because your brand will not only be visible in media during the regattas and award ceremonies, but also all the time in the marina and many other events.
